

# The Power of One

The reason mentoring is such a powerful tool is it's **shareable nature**. It's uniquely designed to reach millions of students by starting with **one**.

# 1:5

## Five mentees are assigned to every one IN Mentor

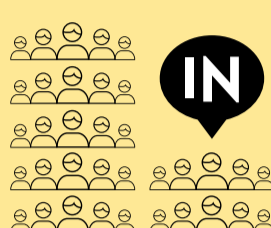

(Half the number of most mentor programs / twice the individual attention)

Owning their Education

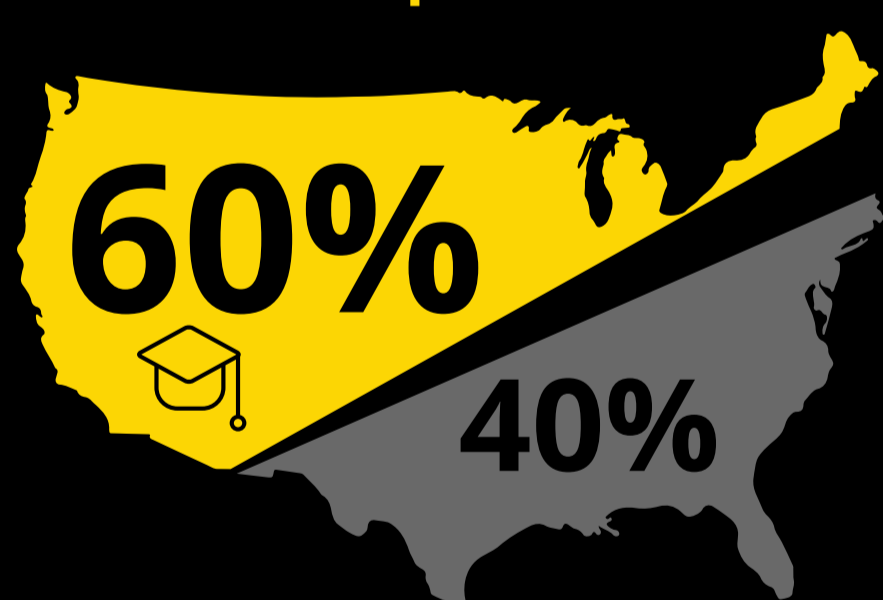

### FACT

"The number of failures in 9th grade dropped by **53%** our first year with Ignite. We directly credit Ignite for this success."

- Principal at Roosevelt High School - Seattle, Washington

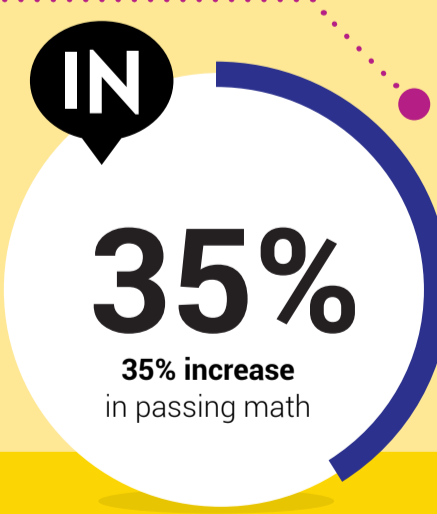

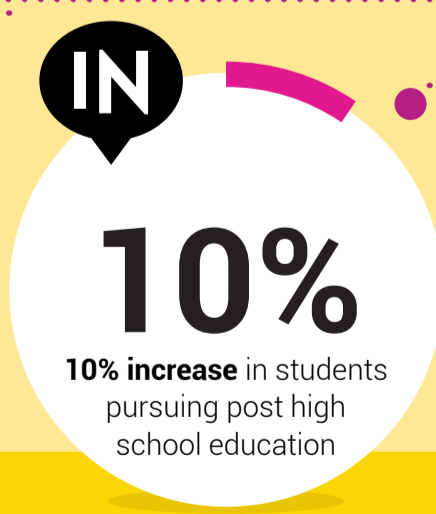

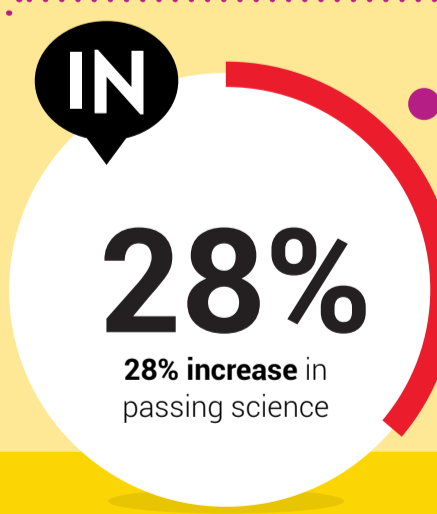

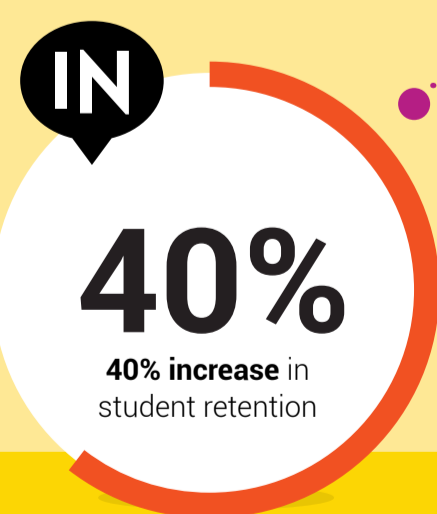

40% of all U.S. high school freshman drop out of school.

However, research supports that college freshman present the next most vulnerable class in the education process

### Average results of a first year Ignite school

Using peer mentoring and leadership training,

...we hope to change the world one student at a time!

PASS **IN** ON.
